

# MAJOR / MINOR SELECTIONS

During camp, you will participate in one major and two minors. Please make your preliminary choices on this form and return promptly. You will have the opportunity to make changes on registration day and into the first two days of camp. During the registration process you will have the opportunity to meet with department heads to discuss any specific concerns or questions you may have. In addition to the minors listed on your form, there will be additional minors created by our Instructors during Staff Week, which will be offered on registration day.

The Music Major is for intermediate and advanced musicians. If you are a beginner, or are just starting a new instrument, you should choose music as a minor. Music Majors should choose one main instrument; you may bring other instruments to camp for private practice and ensemble work, but you will only receive private lessons on one instrument. If your instrument is not listed, please call to speak with a Camp Director. Campers involved in the music program must bring their own instruments or arrange a rental agreement with a Camp Director prior to May 31st.
