

Creativity CoLaboratory Charter School

Cleaning Policy in light of COVID-19

Policy CO2020-001

DRAFT

In light of the threat posed by COVID-19, the following amendments to the student attendance policy have been adopted by the Board for the 2020-2021 school year. They will sunset on June 30, 2021 unless rescinded by the Board prior to then or extended by the Board. The amendments to the attendance policy are in *both italics* and are underlined in this document.

The Creativity CoLaboratory Charter School and its partner Appel Farm have always been and will remain committed to high standards of cleanliness. However, in light of the threat posed by COVID-19 and what we now know about its transmission, the following policy is adopted for the 2020-2021 School year and will sunset on June 30, 2021, unless extended or rescinded by the Board.

Daily cleaning of the school buildings has always been the standard. For the 2020-2021 school year, C3 will adopt the following additional measures:

1. The school will be cleaned at regular intervals during the school day. The school will hire additional cleaning staff who will clean and disinfect all “high touch” areas, such as bathrooms, doorknobs, etc. at intervals during the day.
2. The cafeteria will be cleaned and disinfected between each lunch period.
3. There will be a “deep cleaning” every day after the students have left.
4. Cleaning products will be used that are known to kill COVID-19 as recommended by the CDC, DOE, County Health Department.
5. All building ventilation systems have had filters replaced with commercial grade HEPA filters.

6. All staff will regularly wash hands with soap for 20 seconds or longer.
7. All students will be encouraged to wash hands with soap or use hand sanitizer between classes.
8. All students will be required to was hands or use hand sanitizer before lunch, after recess, after Physical Education, etc.
